

# Custom Board Mounted Valances & Cornices

## INSTALLATION INSTRUCTIONS

### Step 1. Check Package Contents

Missing part? Call 1-800-264-1190

Mounting hardware kit includes the following:

Part	Quantity
Mounting Brackets (‘L’ brackets)	2 (up to 36” wide)
	3 (up to 64” wide)
	4 (up to 92” wide)
	5 (up to 120” wide)
	6 (up to 148” wide)
	7 (up to 180” wide)
1½” Screws	2 per bracket
¾” Screws	2 per bracket

[Note: one extra screw is included for convenience]

### Step 2. Tools Required

Pencil, tape measure, level, drill & bits, screw driver, step stool.

Drill Bits: for screws, use a 3/32” drill bit - for wall anchors (not included) follow the directions on the package.

### Step 3. Bracket Location and Installation

Following the directions below you will be

mounting the brackets to the wall first, and then placing the Valance or Cornice on top of the brackets in order to attach them to the board. It is desirable to attach the brackets to a wall stud or header board if possible.

For Wallboard or Plaster: use anchors specifically designed for hollow walls (not included).

For Concrete, Stone, Brick: use a masonry drill bit and anchors or screws specifically designed for masonry (not included).

### Bracket Placement:

One bracket should be positioned about 6” from each end of the board. For wider shades that require up to 7 brackets, these should be spaced evenly between the two outermost brackets.

Precise bracket spacing is not critical (attach as many brackets as possible to wall studs, regardless of spacing).

The brackets must be level – use a Spirit Level if necessary to assure proper alignment. Mark the screw-hole locations for each bracket with a pencil. Pre-drill the screw holes using a 3/32" drill bit, and then attach the brackets using the 1 1/2" screws.

Attach the brackets and/or other mounting hardware for any undertreatments before attaching the Valance or Cornice.

Place the Valance or Cornice on top of the brackets. Adjust the board so that it is centered over the window opening. Then mark the locations of the screw holes using a marker or pen. Before drilling the screw holes, make a pin hole in the fabric at the marked locations using a thumb tack or nail. Pre-drill the screw holes using a 3/32" drill bit, and then attach the brackets using the 3/4" screws.

#### **CLEANING**

To clean the fabric, use a feather duster or vacuum lightly using the soft brush or upholstery attachment.

100% Polyester, Cotton/Poly blends and 100% Cotton or 100% Linen can be spot cleaned with warm soapy water using mild detergent and a clean sponge. Apply to the soiled area, and then allow it to air dry.

For more extensive cleaning, please locate a professional upholstery cleaning service.

#### **REPLACEMENT PARTS**

In the event that replacement parts are ever needed, you may call:

1-800-264-1190

Please be sure to provide the following information, if possible:

- The complete model or catalog number of your product
- A description of the product
- A description of the part needed

#### **LIMITED LIFETIME WARRANTY**

The enclosed product is warranted to the original residential retail purchaser as long as the product remains in the original window.

- I. Covered:  
Lifetime: Entire product against manufacturing defects (i.e. a flaw in the product design, materials, or workmanship that causes the product to no longer function.  
5 Years: All fabric
- II. Not Covered:  
Normal Wear and Tear  
Any product that fails due to: • abuse • exposure to salt air • improper installation • accident • extraordinary use • improper operation • alterations • improper cleaning • misapplication • damage from pests/insects/pets • improper handling • misuse
- III. Costs associated with: • product removal • transportation to and from the retailer • brand label removal • product re-measure • incidental or consequential damages • product re-installation • shipping  
In the event there are multiple blinds/shades in the same room, only the defective blind/shade will be replaced.
- IV. To Report Shipping Damage: If damage occurred during shipping, call place of purchase and report within 7 calendar days or else you may be denied credit for your damaged product.
- V. To Obtain Service: If you suspect this product has a manufacturing defect in materials or workmanship: 1. Locate the sales receipt 2. Call place of purchase. Any unauthorized returns will not be accepted.

- VI. Warranty Remedy: THIS SHALL BE YOUR SOLE REMEDY UNDER THIS LIMITED WARRANTY.

If this product is found to have a manufacturing defect in materials or workmanship, we will (at our discretion) do one of the following:

- repair the product • replace the product • refund the cost of the product

Colors vary from lot to lot and may not exactly match sample swatch or previous purchases.

Discontinued items or color selections will be replaced with the closest equivalent current product.

- VII. YOUR RIGHTS UNDER STATE LAW:

This lifetime limited warranty gives you specific legal rights, and you may have other rights, which vary from state to state. Some states do not allow limitations on how long a warranty lasts, so the above limitations may not apply to you. No agent, representative, dealer, or unauthorized employee has the authority to increase or alter the obligation of this warranty. This lifetime limited warranty supersedes any previous versions.
